Homes to love, built with care

From the first day you visit our sales centre, to the day you move in and beyond, we aim to provide a level of service and after-sales care that is second to none.

A number of quality checks are carried out on each of our new homes through the construction process and on completion. Once your home has passed all of our quality checks, you will be invited to attend your Home Demonstration which will provide an opportunity for you to understand the various elements of your new home. On move in day, our site and sales teams will be there to ensure that everything goes as smoothly as possible.

Once you've settled into your new home, Bellway has experienced after-sales teams to provide support and assistance whenever you need it. Our homes come with a 10-year NHBC Buildmark policy, or an equivalent warranty from another provider. This includes deposit protection from exchange of contracts, a two-year builder warranty from legal completion, and then eight years of structural defects insurance cover.*

We are confident that our approach to building and selling quality homes, coupled with our customer care processes, will provide you with many years of enjoyment in your new home.

Dedicated to delivering quality

An enhanced specification is the hallmark of The Artisan Collection.

"The overall finish of the home is perfect - Bellway really pay attention to every detail. The team were amazing and supported us throughout the process."
