A village address with city connections

Modern living close to the best of town and country

Francis Gardens is a desirable collection of 2, 3 and 4 bedroom homes enjoying a fantastic location on the outskirts of Silver End. Founded as a peaceful garden village in the 1920s with a distinctive modernist architectural design by window manufacturer, Francis Henry Crittall.

Surrounded by beautiful Essex countryside, yet within easy reach of Braintree, Chelmsford and London, each energy-efficient home is designed for modern life. Parking is included at all plots and thoughtfully landscaped surroundings feature a play area and community allotments, creating a welcoming home for first-time buyers, families and commuters alike.

Explore Silver End and beyond

Everyday convenience, city connections and glorious green space

Daily needs are catered for a short walk away in the village centre with a convenience store, Post Office, doctors' surgery and pharmacy. The Village Hall plays home to a community library and hosts clubs and activities for all ages, while the charming local pub makes a great venue for evening drinks. Alternatively, a trip to the Memorial Gardens, one of the recreation grounds or a choice of play parks provides all-important open space to enjoy.

For a bigger day out, the nearby towns of Braintree and Witham - both around 12 minutes away by car - offer plenty of choice with a great mix of national chains, independents, pubs and cafés. The popular Braintree Village retail centre is located just outside the town and plays home to outlet shopping, casual dining and a multi-screen cinema.

Chelmsford puts city choice a 26-minute drive away, with extensive shopping, riverside restaurants and a variety of entertainment, including an ice-skating rink. When it comes to keeping fit, Witham Leisure Centre and Braintree Leisure Centre between them offer pools, gyms, group classes and sports courts.

Alternatively, there is endless verdant countryside to explore nearby. Great Notley Country Park offers walks, lakes, a play trail and climbing forest, while the traffic-free Flitch Way follows a former railway between Braintree and Bishop's Stortford for miles of easy cycling and walking. For a little bit of heritage, spend the day at Cressing Temple Barns or Markshall Estate, which between them offer an arboretum, walled garden and woodland walks and plenty of history.

Silver End Academy is conveniently located a 15-minute walk from Francis Gardens and caters for pupils from the ages of 2-11 years. A choice of secondary options can be found in the local area, all within 12 minutes by road, while Chelmsford and Colchester put opportunities for further education within reach.

Francis Gardens benefits from excellent transport connections. The nearest station is just a five-minute drive away in White Notley and connects to Witham. From there, you can catch regular direct services to London Liverpool Street in around 45 minutes. By road, the A120 and the A12 are close by, putting London within 90 minutes and Stansted Airport within 25 minutes.

## Homes to love, built with care

From the first day you visit our sales centre, to the day you move in and beyond, we aim to provide a level of service and after-sales care that is second to none.

A number of quality checks are carried out on each of our new homes through the construction process and on completion. Once your home has passed all of our quality checks, you will be invited to attend your Home Demonstration which will provide an opportunity for you to understand the various elements of your new home. On move in day, our site and sales teams will be there to ensure that everything goes as smoothly as possible.

Once you've settled into your new home, Bellway has experienced after-sales teams to provide support and assistance whenever you need it. Our homes come with a 10-year NHBC Buildmark policy, or an equivalent warranty from another provider. This includes deposit protection from exchange of contracts, a two-year builder warranty from legal completion, and then eight years of structural defects insurance cover.\*

We are confident that our approach to building and selling quality homes, coupled with our customer care processes, will provide you with many years of enjoyment in your new home.

An enhanced specification is the hallmark of The Artisan Collection.
